MINING SOLUTIONS SDN BHD

STEPHEN PARKINSON CEO

I am truly honored to introduce Mr. Stephen Parkinson, a revered leader in the mining machinery industry. As the Chief Executive Officer of Stealth Mining Solutions Sdn Bhd, located in the vibrant city of Perak, Malaysia, Mr. Parkinson has demonstrated exceptional leadership over the past 40 years. Under his visionary guidance, Stealth Mining Solutions has become a prominent force in the mining machinery sector, achieving remarkable success and leaving an indelible mark on the industry.

Mr. Parkinson's unwavering commitment to quality, innovation, and customer satisfaction has been instrumental in propelling the company to unprecedented heights. His strategic foresight and relentless pursuit of excellence have not only shaped the company's triumphs but have also set a new standard for industry excellence. His dedication and leadership have made him a true trailblazer in the fiercely competitive automotive market, earning him the respect and admiration of his peers.

It is a privilege to acknowledge Mr. Parkinson's outstanding achievements and the profound impact he has had on the industry. His remarkable contributions and steadfast dedication have undoubtedly positioned him as a driving force in the mining machinery sector, and his legacy of success continues to inspire others in the industry.
